DEFINITIONS/GLOSSARY OF TERMS

Applicant	Any person who makes a formal application for request of funding
Approval	An act of officially accepting or allowing the funding application
ATPL	Airline Transport Pilot License
Bursary	An amount allocated for the purposes of fulfilling a skills development and training learning programme
Bursary Scheme	Financial aid provided to academically performing and financially needy students
CHE	Council on Higher Education
Commercial Diving	Is a profession which requires a person to go underwater to do specific tasks
CPL	Commercial Pilot Licence
Occupational Priority Occupations and Interventions (SPOI)	These are skills gaps within organisations, which limit the organisation’s efficiency and effectiveness thereby hindering business growth. Top-up skills or skills required by those who are currently at work but who do not possess the requisite skills to carry out their duties optimally. These are usually addressed through short courses, skills programmes, workshops, seminars and in-house training.
HET	Higher Education and Training Institution.
HEI	Higher Education Institution
Institution	CHE and/or DHET-recognised university, university of technology or college offering formal and informal vocational and academic qualifications/occupations.

Pilot training	Is a training that is carried out at the existing flight schools leading to pilot or flight instructor licence
PPL	Private Pilot Licence
Previously disadvantaged groups/ designated groups	Means African, Coloured and Indian people, women and people with disabilities.
Postgraduate	Refers to a student who has successfully completed an undergraduate degree level course at a college or university and is undertaking further study at a more advanced level
Decline	Is an act of officially declining the funding application
SAQA	South African Qualification Authority
SASSA	South African Social Security Agency
Scarce Skills	Skills that are in short supply nationally when compared to demands across the entire labour market.
Student	Refers to a person enrolled at a post institution to study towards formal or informal accredited qualification including vocational occupations
Study Field	Approved degree or diploma at an institution with a bearing on TETA's core business
TVET	Technical Vocational Training
Undergraduate	Refers to a student who is studying for their first degree at a college or university

Diving Schools (for Commercial Diving)	Department of Employment and Labour (DoEL)
Maritime Schools	South African Maritime Safety Authority (SAMSA)

5 POSSIBLE RESEARCH THEMES FOR POSTGRADUATES

Research topics relevant to the transport sector to be agreed between the learner and Research and Knowledge Unit guided by the TETA research agenda, to ensure alignment with TETA priorities.

6 IMPORTANT POINTS TO NOTE

- If the applicant is below the age of 18 years, affidavit by the parent or consent letter from the guardian must be submitted;
- It is the responsibility of the applicant to ensure that the online application form is completed accurately and all the required documents are attached;
- The TETA reserves the right to withdraw the award of a bursary should the applicant perform incompetently in the academic performance presented during the application process or if the learner is registered for less than four modules per semester or three-year courses;
- The TETA reserves the right to withdraw the award if the applicant provides misleading information;
- The TETA reserves the right to publish the dissertation or thesis of research project at the end of the programme; and
- The TETA reserves the right to not consider the application if the applicant has already acquired undergraduate qualification and is planning to apply for another undergraduate qualification.
